

**Guarantee No. 1.**

The unwritten laws of England are respected and bowed to the world over. The unwritten guarantee of the Palais Royal is equally well known and appreciated in Washington—assuring the visitor only goods of undoubted reliability.

PALAIS ROYAL

G and Eleventh Streets.

Guarantee No. 2.

A "Cash Business," a guarantee of lowest possible prices. When associated with reliable goods, ideal conditions exist. This was demonstrated during the inauguration, when visitors from New York and Philadelphia purchased so largely of Silks, Wool Fabrics, and other staples.

Best Possible Suits at \$13.98, \$16.98, and \$22.50.**The Equal of the Average Sold at \$15, \$20, and \$25.**

As a matter of fact, suits worth up to \$20 are in the lot at \$13.98 for choice—but these are only fleeting bargains, and we claim only to constantly offer the average \$15 suits at \$13.98. In the lot at \$16.98 will be found Panama, Serge, and Mannish Cloth Suits, tailor-made and fancy effects in latest styles, costing you \$20 at the stores where a credit business is an important feature. The suits here at \$22.50 include Panama Cloth, Shepherd Plaid, Fancy Cloths, and Taffeta Silk, made up with blouses and jackets, the skirts correctly pleated—\$22.50 for better than average \$25 suits.

Separate Garments

Spring Coats are here from \$5.98 to \$25 each—the more expensive are really the best bargain, because very materially less in price than at the stores where such high-class garments are generally found. At the lower prices—\$5.98 and \$10—are surprisingly good coats, with leg-o'-mutton sleeves and all the attributes of the correct styles.

Skirts at \$5.98, \$7.98 and \$13.98

The new Pleated Walking Skirts, all tailor-made at \$5.98 and \$7.98, are serge, panama, cheviot, mohair, and fancy cloth skirts; black, all colors; side and box pleated. At \$13.98 are rich Black Voile Skirts, with silk drop.

**Lingerie Waists**

Expensive, \$2.98 to \$25 each, but incomparably beautiful. Materials are finest linens, lawns, and silk; embroidered and lace trimmed, exquisitely and elaborately. The largest and most complete collection of Lingerie Waists are to be found at the Palais Royal, and lowest possible prices are assured.

Waists at 98c, \$1.59 and \$1.98

Not regular stock—here Monday morning, gone Monday night. Only 94 dozen of them—\$1.50 values at 98c, \$2.50 values at \$1.59, \$3.50 values at \$1.98. All styles, from plain tailor-made to most fanciful. Some are buttoned back effect. Materials are Persian lawn, India Linen, and white China Silk.

\$5.00 to \$7.50 Sample Corsets for Only \$2.59.**Superior Corsets, 98c****Union Suits, 50c****35c Hose, 25c**

Sample Corsets, at \$2.59 instead of \$5 to \$7.50, will be here tomorrow morning, but no promise is made for how long. Patrons who missed the last opportunity of a month ago will find equally good bargains here tomorrow. Superior materials and styles; some fitted with front and side garters; some with rustproof extra side shields. Such corsets cannot be sold regularly at 98c. The Union Suits at 50c, are the spring style, "Merode" garments; hand-finished and superior in every respect. The Stockings at 25c instead of 35c, are of black lisle, plain and ribbed; medium and light weights. The spring stocks are now complete—the fleeting bargain opportunities are only told of here.

Hats, \$5, \$7.50, \$10

Dress Hats of every description are here at \$5, \$7.50, and \$10, adaptations of French Hats costing \$15 to \$35. The programme for Palais Royal patrons is a generous one. An expert milliner waits on the visitor, and the most becoming hats are tried on. Then the individuality of the wearer is studied and a hat is trimmed especially for her, no extra charge being made.

\$1.98 for \$2.50 to \$3.98 Hats

A pleasing surprise—to find newest of new hats to wear with Tailor Suits. Choice of new small and large Flat Hats, with trimmings of velvet, quills, etc. \$1.98, instead of \$2.50 to \$3.98, but only while these samples remain on sale.

**Parasols, \$1.99 to \$15**

The newly small hats of the season make the parasol a very important consideration. The Palais Royal collection was made after consultation with the "buyers" of millinery, suits, and dresses, with the result that visitors are enabled to secure parasols to harmonize with the dress or hat selected here. The variety required is enormous—but is complete in every respect. As little as \$1.99 will purchase a pretty pongee, Dresden, or taffeta silk Parasol, veiling trimmed and hemstitched. \$2.88 suffices for choice of a great variety, all superior to usual \$3.50 Parasols. \$3.98 and up to \$15 for "gems" of Parasols.

Carriage Shades, \$1 to \$5

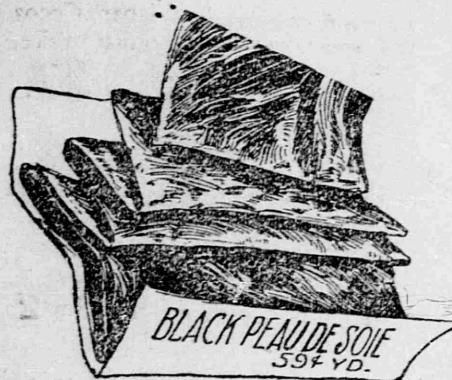

Visitors will be agreeably surprised to find Carriage Shades in such variety and so unusually attractive. For sale with Parasols at Eleventh street door.

Don't Spoil Your Dress

Don't use a substitute for Warren's "Featherbone" don't use hooks and eyes that will rust; don't risk cheap dress shields. Famous makes don't bring the retailer the profit the substitutes do—that's why the latter are often recommended.

The Palais Royal is Headquarters for Warren's "Featherbone," and a complete stock is always here—at prices little or no more than asked for inferior substitutes. Kleinert's Dress Shields are a specialty. A new feature—hollow ground Scissors at 50c; as good as any previously retailed at \$1.00.

**The Newest Styles**

Hats are to have shirred crowns and facing of ribbon—and ribbon with drawing strings is wanted. They are here, of soft finish taffeta, 5 inches wide. Ribbon Girdles are another new feature. The wanted 6-inch wide Floral-effect Ribbon for them is here at 39c instead of 68c a yard. See the samples of made-up girdles—a glass show case full.

Note that the ordinary Taffeta Silk Ribbons are here—miles of them—49c for usual 25c kind and 13c for usual 19c kind. Thousands of pieces on sale Monday, in center aisle, facing Eleventh street door.
